

Order №03/31

C. Batumi

03 April of 2020 year

On approving changes in academic calendar of spring semester of 2019-2020 teaching years, in teaching university “BAU International University, BATUMI” LTD

As per the second article of the resolution N 205, of Georgian government on “implementation of teaching process in educational institutes during the state of emergency “ dated as of 31 March of 2020 year based on the regulation of teaching university “BAU International university, Batumi”

I Order:

1. To ensure the safe teaching process due to corona infection, the following changes to be made to the academic calendar of spring semester of 2019-2020 teaching year:
 - a) The theoretical part of teaching courses/blocks/modules (lecture, seminars and the part of laboratory works) will be completed on 5 July of 2020 year;
 - b) During the current evaluation, the students to be evaluated only in theoretical part, also the students will be evaluated by the midterm (block examinations) and final examinations;
 - c) In the clinical teaching courses, which considered evaluation during clinical rotations in outpatients, or at the patient bed, or in simulation environment, with mannequins, or during the lab work, the evaluation will be carried out after implementation of the teaching process in a usual mode.
 - d) During the summary of the current evaluation before the final examination, the evaluations/grades given in the third section must not be taken in account, meaning that the evaluations to be accumulated during the teaching in clinical and simulation environment will be deducted from all the evaluation component of the student and it will be carried out after implementation of student teaching in the usual mode and mastering the clinic/simulation/laboratory components of the teaching courses by the students;
 - e) The final examinations in theoretical part of the basic teaching courses/blocks to be carried out from 5 to 26 July of 2020 year;
 - f) The final examinations of the triticale part in the clinical teaching courses will be carried out immediately after completion of the teaching course;

- g) The repeated final examination to be carried out from 26 July to 31 July;
 - h) The duration of the oral examination for each teaching course/block will be determined as 10 minutes for each student;
 - i) The middle semester holidays to be declared from first August to First September of 2020 year;
 - j) The remaining teachings of the spring semesters to be renewed from 01 September of 2020 year;
 - k) The clinical visits, clinical rotations and that part of the basic teaching course envisaged by the educational program and teaching schedule of the spring semester, where the teaching takes place in simulation environment and laboratories, including laboratory of corpses, will be carried out in September in a usual mode;
 - l) Objectively structured clinical examinations will be carried out from 28 September to 8 October of 2020 year;
 - m) During the evaluation of the clinical part, the student should gather/accumulate appropriate marginal score as envisaged by the Syllabus. If the student fails to pass the mentioned margin, despite having or not passed the margin of the final examination of the theoretical part, the teaching course will not be considered as mastered;
2. The annex of the order to be placed on web-page of BAU and to be sent to structural units of BAU for guidance.
3. The order comes into force from the moment of signing it.
